## 3 Deal Bonus – 15,000 Points

All participating rewards users are eligible to receive the 15,000 point bonus after their third Sunlight deal is funded.

The bonus doesn't expire, so whether you reach 3 approved deals in one week or six months, you'll still be eligible to receive the bonus and cash in on your next big prize!

## Sunlight Rewards Status

Every six months, rewards users have an opportunity to elevate their Sunlight Rewards Status rank by selling more home projects during that six-month period.

Achieve the next status and collect applicable status points for the remainder of that period and into the next.
